## ***Cultural Diversity***

***Gender Responsive Treatment for Men***

### ***6 CEU***

- 1) To provide an overview of cultural/relational theory as it pertains to men's substance abuse treatment.
- 2) To examine how the social conditioning of men creates barriers in treatment and recovery.
- 3) To explore the relationships between men's trauma, substance abuse, and the recovery process.
- 4) To consider treatment strategies designed specifically for men,
